

RESOLUTION 2016-09

Resolution Recognizing National Robotics Week and Proclaiming April 4th 2016 Griffith High School FTC Robotics Day

Whereas the Griffith High School FTC Robotics Team has competed in statewide competition and achieved the title of 2016 Indiana State champions,

And, the students representing Griffith displayed excellence in academics and in personal character,

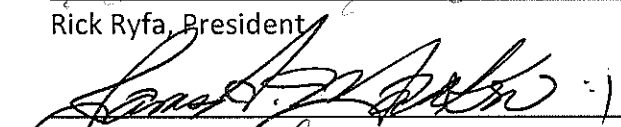

And, displayed exceptional ability to conquer challenges as a rookie team, establishing Griffith as a power in a new field of intellectual competition.

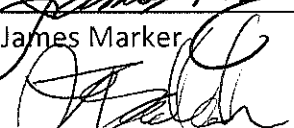

And, April 3-9, 2016 is national robotics week with a purpose to inspire students to pursue careers in robotics and science, technology engineering and math related fields,

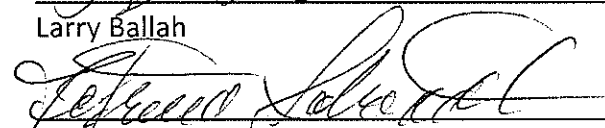

Therefore, the Griffith Town Council recognizes the week of April 3rd, 2016 as National robotics Week and proclaims April 4th 2016 as Griffith High School FTC Robotics Team Day
